

Greetings to all Club Español members! I hope your summer has been productive and that all have been healthy.

You likely already know that the club has canceled all meetings for at least the rest of this year due to the pandemic. Because we cannot know when our normal activities such as classroom language classes and fiestas will resume, the Board has decided to defer 2021 registration until further notice. All current members may assume their membership will continue, and potential new members will also be notified when 2021 registration will commence. No 2021 dues will be collected until that time, since we believe we have sufficient funds to meet anticipated expenditures and no major events are planned at this time.

In addition, all language classes will be conducted via zoom for the foreseeable future. Unfortunately, class sizes will need to be reduced to accommodate this new approach. The teaching team has also decided that it's best to limit members to one class per person. This will allow as many people as possible to take a class. We hope to begin our new class schedule in October. Please watch your e-mails in the coming weeks for a list of classes being offered along with a suggestion for the best class option for you.

The Book Club will also continue meeting via zoom. See our website for more information.

The Board has also established an email for club use. Please add [SCWspanishclub@gmail.com](mailto:SCWspanishclub@gmail.com) to your address book so the emails will make it to your in box.

We will proceed with normal room reservations for 2021, working with the recreation center. We want to be able to hold classes and other meetings if possible, and at least be prepared in this regard.

Let me know if you have any questions or concerns, and I look forward to seeing everyone in the coming year!

Stay Safe!

Lee Howard

President, Club Español
