

**October 15, 2021**

Dear Spanish Club Member,

At 1pm on Monday October 25 in the Chicory Room at Beardsley, members in volunteer roles will briefly explain their positions. You are invited to attend to hear more about the opportunities, and the needs, for volunteers in our club.

From teachers who provide instruction in Spanish, to board members who plan activities such as fiestas, travel and movies, our club can't exist without volunteers. Spanish Club needs your involvement and your support if it is going to continue and thrive.

Opportunities to help range from a once-a-year donation of an hour or two, to leadership positions on the board, and everything in between. There is literally something for anyone who is willing to help in whatever capacity they choose.

Please attend this meeting. You'll meet some of your fellow club members and enjoy some light refreshments. You'll learn more about the club and, perhaps, find a task that you'd enjoy.

If you can't attend, I encourage you to contact me about your interests, your skills and your willingness to help. My email is [tish@iwaszuk.com](mailto:tish@iwaszuk.com) and my phone is 360-620-7634.

As we were all taught as children, "many hands make light work". It is still true today!

Tish Iwaszuk  
Volunteer Coordinator
