DUOLINGO PODCASTS			
<p><i>From the makers of Duolingo, the most popular language-learning app, comes Duolingo Spanish Podcast, a podcast that delivers fascinating real-life stories in easy-to-understand Spanish with English narration. These are not language lessons; they're life lessons through language. Hosted by Martina Castro, co-founder of NPR's Radio Ambulante. You can listen free on Apple Podcasts or wherever you listen to podcasts. New Podcasts are uploaded periodically. Some topics are single-episode while others run through multiple episodes. The podcasts are placed on the website with the LATEST one first.</i></p>

QUIZLET

This site allows teachers (or individuals) to create and store materials for a “class” they create online. This includes flash cards with pictures and other aids for students to check themselves. You will find study sets and files for each “class” already created.

QUIZLET WEBSITE LESSONS

These links take the participant to the lessons already accessible via our website that are directly related to **Spanish Is Fun Book 1** and **Spanish Is Fun Book 2**.

SIF Book 1 lessons were created by Maryann Jasken for all **Beginning Spanish** classes and includes lessons 1 – 24 in Spanish Is Fun Book 1. By clicking on “Book 1 Lessons,” the page containing links to all 24 lessons for Book 1 will download. You simply choose your lesson number and click on the blue link to access it.

SIF Book 2 lessons were created by Dave Porter for all **Intermediate Spanish** classes and includes lessons 1 – 21 in Spanish Is Fun Book 2. By clicking on “Book 2 Lessons,” the page containing links to all 21 lessons for Book 1 will download. You simply choose your lesson number and click on the blue link to access it.

VIDEOS

GREETINGS AND INTRODUCTIONS – Has a sample of a conversation using greetings, introductions, including feelings and conditions. At the end of the conversation, there is a page with links to multiple additional topics.

Additionally, on the first page, you will find an arrow on the right that you can use to move through to see the multiple additional lessons that can be accessed from the site.

SPANISH WIZARDS – Gives a sample of a basic conversation that introduces greetings and certain times of day. Creators Brian and Cinthia then invite you to participate in their **5-part Interactive Spanish Conversation** by going to getmyfreespanishcourse.com

EL MONO EPISODE LINKS – Also created by Dave Porter, this is a You Tube website lesson which is designed to allow the participant to learn Spanish in context of a story. There are two stories on this site, each story has 11 episodes. The stories progress in basic Spanish and run between 3 and 6 minutes per video.

DESTINOS		
<p><i>Destinos teaches speaking, listening, and comprehension skills in Spanish. This telenovela, or Spanish soap opera, immerses students in a mysterious and entertaining story while viewing everyday situations with native speakers. It also introduces the cultures, accents, and dialects of Mexico, Spain, Argentina, and Puerto Rico, helping students understand a range of Spanish and appreciate many Hispanic cultures. The programs are closed captioned in Spanish and can be used as a teaching and literacy resource. The series is also appropriate for teacher professional development. Episodes run approximately 30 minutes each.</i></p>
